

ACCESSIS TRAIN CONVERSATION

ENGLISH ON THE PHONE Pre-Intermediate and Intermediate

English on the phone allows you to continue your language training and improve your fluency at any time you choose, especially when you are too busy.

ADVANTAGES:

- you can choose one or more fields of interest to discuss on
- you can correct your mistakes on the fly
- you will receive immediate feedback from the teacher via email and exercises according to the language area you need to improve
- you learn to carry formal and informal discussions on financial subjects
- you **can propose** and tackle various subjects that you are interested in

DURATION: 50 hrs (20/30 min/day)

Alongside **English on the Phone** you can follow an **Immerssion** course with **Accessis Immerssion** . You can choose between the following 2 short-term courses:

- **Intensive English Grammar**
- **Intensive English Conversation**

from Elementary to Upper Intermediate. Optimum results can be attained if you attend both courses. Please contact us to get more info or sign in and get the **course plan** for each of the above.

The **Intensive English Grammar** course teaches you most important grammar notions, then offers you written and speech practice, role plays and interaction with the other participants.

The **Intensive English Conversation** course uses video support and gives you the freedom to choose among 2 types of course plans: General English or Business English subjects.
